### **Lake Lou Yaeger Milnot Beach House Request for Written Quotes Electrical Services Hourly Rate**

April 11, 2017

The City of Litchfield is providing notice of solicitation of bids for the electrical labor on an hourly basis for the Lake Lou Yaeger Milnot Beach House Renovation Project. The City requests interested contractors to submit a written quote for an hourly rate of services to conduct the electrical work at the Beach House. The City of Litchfield will purchase the required materials. General work consists of new electrical services extended to areas of the Beach House, changing of location of lighting switches and power source and installation of additional receptacles.

Written quotes shall be submitted to the City Clerk by April 20, 2017 at 10 a.m. in a sealed envelope marked "Beach House Electrical".

The City of Litchfield reserves the right to reject any and all written quotes.
